Grand Knights Message

Well my Brothers we know the season of Advent is fast approaching, may this season prepare us all for the Holy season that lies ahead.

I would especially like us all to keep in our prayers the Bishops and Priest that have been dealing with misconduct, as it will effect us all.

I would also like to thank all that came for the great turnout for our Pallbearers Appreciation Dinner. I do believe that a good time was had by all.

I would also like to encourage each of us, as the New Year approaches, to pay our dues on time, without having to receive a second notice. I would also like to thank each and every one of you for all the help you have given me.

Faithfully yours, Earl Farrell, Grand Knight

District Deputy Notes

"They will know who we are by what we do, not by the badges we wear." That's a paraphrase taken from a meeting earlier this week. Interesting and very true. When we wear the KC's is it a shirt or a pin? Or, is it our actions and our deeds? Pins and badges don't fight the devil.

Ladies Auxiliary

Hello Ladies, We had a very nice turn out for our meeting tonight. We decided to donate candy canes to the Lyons Christmas walk this year. We also decided to pick 5 names from the Christmas tree to help give 5 youngsters a better Holiday. Notice in the bulletin that the Memorial Mass is in November on the 27th. This will take place of our next meeting and than in December there will not be a meeting held. Our bus trip is a go with two seats left open as of today. Hope that you signed up to join the fun. God Bless all of you. Betty

K-C Benefits

Buying life insurance is something that's easy to put off until tomorrow. And if your life is as busy, as mine is, tomorrow can easily become next week, next month, or even next year. I'd like to make a personal plea that you not make that mistake. Before the summer is over, make an appointment to visit with me, your professional Knights of Columbus agent. I'll work with you to put a plan in place that will help your family when that help is most needed.

We all know someone whose health, instantly and seemingly out-of-the-blue, changes. You may think this can't happen to you. Think again. And keep in mind that no one will ring a bell warning you that your health is about to change. Medical technology has turned many diseases previously termed "death sentences" into very treatable conditions. What medical advances haven't changed, however, is that being diagnosed with one of these diseases will dramatically affect your ability to purchase life insurance coverage. Don't wait until it's too late. Call me today.

Your Knights of Columbus insurance program is second to none. Knights of Columbus life insurance represents a
